

## **VETSCRIPTION WORM AWAY - piperazine citrate capsule, gelatin coated**

Sergeant's Pet Care Products, Inc.

### **INDICATIONS FOR USE**

For the removal of large roundworms (ascarids), *Toxocara canis* and *Toxocara leonina*, in dogs.

### **DOSAGE AND ADMINISTRATION**

For puppies and dogs weighing:

Animals one to five pounds.....1 capsule

Animals six to ten pounds.....2 capsules

Animals eleven to fifteen pounds.....3 capsules

Animals sixteen to twenty pounds.....4 capsules

Animals twenty-one to twenty-five pounds.....5 capsules

Animals over twenty-five pounds.....6 capsules

Pull each capsule apart and empty contents into dog's food. To be sure the full dose is taken, mix it well with only one-half of the regular feeding. When dog has finished eating the dosed food, give balance of the meal. Repeat first dose 10 days later. Reinfection may occur - repeat treatment if indicated.

### **CAUTION**

Consult a veterinarian before using in severely debilitated dogs and for assistance in the diagnosis, treatment, and control of parasitism. See the enclosed circular for symptoms and details on large roundworms and other worms your dog may have.

### **KEEP OUT OF REACH OF CHILDREN**

### **RECOMMENDED STORAGE**

Store at controlled room temperature 15-30 C (59-86 F)

### **ACTIVE INGREDIENT**

Piperazine (as Citrate) - 140 mg per capsule

### **HOW SUPPLIED**

Vetscription Worm Away - 12 capsules

### **PACKAGING COMPONENT**
